

Sponsorship Opportunity 2020-2021

Bookcliff Christian School is incredibly grateful for the generous support of family, friends and sponsors. We are a private Christian school which receives no public funding. In order to provide quality Christian education we depend solely on: tuition, fundraisers and donations. We value every contribution, big and small, made through faithful prayers, volunteered time and talents, and financial gifts. We would not be able to successfully serve our students and their families without the generous support of many.

A quality Christian education in a loving environment, like BCS, may be the absolute greatest gift you could ever give a child. There is nothing more important in a child's life, than to introduce them to Jesus Christ, and to share His love with them. It is our goal to keep Christian education accessible to all families who value it.

If you believe in our mission and would like to support BCS, please prayerfully consider becoming a sponsor. Please return completed form to school office by September 18th.
