## Parent Teacher Fellowship

Fall 2019-2020

### Mission:

- Connecting Families!
- Supporting Staff!
- Enriching BCS!

### Welcome Parents!

Welcome back-to-school everyone! We are super excited to be back with old friends, to welcome new ones, and make more memories with all! If you're wondering what Parent Teacher Fellowship (PTF) is, it's simple, check out the mission on top.

We bring together parents and staff to support one another and make the most of each school year! How do we do that? Forget the long, boring, formal meetings. We've boiled it down to easy volunteer sign-ups, enjoying activities together, and meeting up for coffee and playdates when it works for our schedules.

This year we need at least 1 parent to take the lead on each activity and a handful of parents to help.

**Our volunteer sign-up is online at [www.signupgenius.com](http://www.signupgenius.com).** It's easy and fun, if everyone commits to helping with at least one PTF or classroom activity. Get the most out of your child's school year; be involved, and connect with teachers, parents and their peers. You will be glad you did. These precious years pass quickly!

Maybe you have ideas for a new activity that isn't on the calendar, or a special passion or gift you'd like to share. Contact us anytime: [bcsparents@bookcliffbaptist.org](mailto:bcsparents@bookcliffbaptist.org). We can email or meet at your convenience. Also, be sure to join our private "Bookcliff Families" group on Facebook, where you can share parenting info or plan and join playdates throughout the year.

### Back to School Ice-Cream Social

Friends from all schools  
are invited to join us
